SINCE 1848

For over one hundred and sixty years, the Wilmot Stage Stop (formerly Wilmot Hotel) has served weary travelers as well as vacationers and tourists. With a heritage that saw the termination of the Civil War, the Wilmot Stage Stop has truly had a "ringside seat" to history.

With this in mind, management has made every effort to show the respect due to the old structure. The feeling of its antique charm has not been overlooked in restoring the old hotel to its position of former prominence.
